

2008 Spring IEC AV/Computer Co-op - <http://www.iec-ia.org/> or <http://av.co-op.k12.ia.us>

Please see following pages for vendor items/promotion.

We urge you to use and place orders using the online catalog. The online system was designed to save you time and energy and collect statewide data on all orders processed. We realize the online process may not work for some.

We will accept school purchase orders even if the online system is not used. Purchase orders should still be made out to a vendor and sent to the IEC AV/Computer Co-op. The order will be logged in for you. This may delay your order. To speed up the ordering process, please indicate that you did not use the online system.

All purchase orders should be made out to the vendor and include:

- **IEC order number**
- **Make**
- **Model**
- **Price**
- **Shipping/invoicing information**

All purchase orders must be sent to: IEC AV/Computer Co-op, 3601 West Avenue Road, P.O. Box 1065, Burlington, Iowa, 52601 or Faxed to 319-752-7525. IEC staff will then forward purchase orders to vendors.

Orders as often as needed. Last date for ordering is Friday, July 25, 2008. Orders will be processed and sent to vendors the week received. Customers need to clearly state shipping/invoicing instructions to vendors on their Purchase Order. For orders to be shipped/invoiced before July 1, we suggest that orders be sent in by Friday, May 30. Some items may take longer to ship, so customers should contact vendors for shipping details. Vendor information can be found on the AV co-op website.

For more information or help using the online co-op catalog contact
