Kurzweil 3000 Price List

Published January 1, 2007

## ***Introduction:***

Thank you for your interest in Kurzweil 3000 literacy products for Windows and Macintosh. The discounted prices contained in this document are valid through December 31, 2007. Qualifying purchasers must be IEC members and identify themselves on their purchase order by listing the code IEC07- the name of school district. Products must be shipped to a valid address (no PO Box please) in Iowa. It is the responsibility of the purchaser to identify him/herself to qualify for the discount. Orders received without the IEC identification will not be eligible for discounted pricing.

## ***Note to IEC Members:***

- For purposes of order accuracy we request that all purchase orders clear indicate the product part number AND desired operating system (Windows or Macintosh.)
- Purchase orders should be addressed to KURZWEIL EDUCATIONAL SYSTEMS, INC., 100 Crosby Drive, Bedford, MA 01730.
- Your purchase order may be mailed to the address above or faxed to 1-781-276-0650.

## ***Note to Parents:***

- Credit card orders may be placed by telephone to 1-800-894-5374, option 2; we accept Visa or MasterCard.
- Personal checks, cashier checks and money orders are always accepted; note that your order will ship once funds have cleared our account.

## ***Standalone versus Network:***

- Our standalone products can be ordered in any quantity; the standalone software license allows you to install 1 unit copy or license of Kurzweil 3000 on one computer.
- Initial orders of Kurzweil 3000 Network must be for 5 units or a Learning Lab Pack; thereafter you may order in any quantity.
- The network software license(s) reside on a single networked computer and float(s) to any other networked computer where Kurzweil 3000 is installed.
- There is no limit to the number of computers where Kurzweil 3000 network software can be installed.

## ***To Learn More:***

If you wish to learn more about Kurzweil 3000 we invite you to participate in a live online demonstration. These virtual meetings are free, cover various topics associated with Kurzweil 3000, and require only that you have access to high-speed internet access (to login and see the presentation via the web) and a telephone (to hear the meeting.) Further details may be found on our web site by visiting <http://www.kurzweiledu.com/webinars.aspx>.

- T.O.B. = Time of Buy (or initial purchase)
- A.B. = After Buy (or after initial purchase)

**Order Notes:**

- The Upgrade Assurance Agreement (UAA) provides you with free automatic product upgrades for a period of 12-months.
- We recommend Epson Perfection scanners for use with Kurzweil 3000 software; for a list of tested and supported scanner models, please consult our web site at [http://www.kurzweiledu.com/scanner\\_compatibility.asp](http://www.kurzweiledu.com/scanner_compatibility.asp) or call us at 1-800-894-5374.
- While many scanners do work under Mac OS, many do not. We therefore urge any Mac-based schools and/or others interested in the Macintosh version to carefully review the list of supported scanners or call us for scanner purchasing advice.
- SCHOOLS: please remember to include **part numbers** and specify **Windows** or **Macintosh** version on your purchase orders; exchanges are subject to a **15% restocking fee**.
- Our return policy is 30-day money back guarantee on any UNOPENED (i.e., shrink wrap intact) Kurzweil 3000 product. Sorry, but opened and/or installed software may not be returned under any circumstances.
