

● School Administration

School Dude

School Dude is the nation's #1 provider of web-native facility management tools designed exclusively for the unique needs of the education community.

Our Internet solutions include:

- › MaintenanceDirect – work order system
- › InventoryDirect – inventory management system
- › PMDirect – preventative maintenance scheduling system
- › CommunityDirect – peer community for facility professionals

These solutions offer the following benefits:

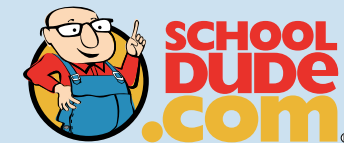

- › Affordable and easy to use
- › Minimal online training time
- › Great for small and large educational institutions
